ABOUT US

At Keya Supply, we specialize in supplying high-quality PET (Polyester) and PP (Polypropylene Strapping) strapping to distributors, logistics companies, warehouses, and industrial users across the U.S. and Canada. Our mission is simple: provide durable, eco-friendly, and cost-effective strapping solutions that meet the highest standards of performance and safety.

Who We Are

Founded in 2026, with the vision to streamline the supply of packaging materials, we are a team of professionals passionate about delivering quality and value. Our business model focuses on bulk wholesale, ensuring our customers receive competitive pricing, timely delivery, and exceptional service – whether you need a pallet or a truckload.

AMERICAN RAILROADS

APPLICATIONS

Industries

- Automobile
- Metal Packaging
- Plastic
- Paper Shipping
- Bottling Industries
- Palletization
- Building Material & Lumber
- Glass & Ceramic
- Solid Waste Handling

PRODUCTS

1. Polyester (PET) Straps (Normal & AAR Approved)

1.a Normal

A strong and durable strapping material designed for heavy-duty applications. It provides excellent load stability with minimal stretch, making it ideal for securing heavy loads like construction materials, steel coils, and industrial equipment. PET straps are weather-resistant and reliable for long-term outdoor use.

Specs:

Type - Smooth

Color - Green

Coils per Pallet - 28

WHAT WE OFFER

- **High-Tensile PET Straps** for heavy-duty packaging
- **AAR Compliant** Straps for rail shipments
- **Custom** Widths, Thicknesses, and Colors available on request
- **Bulk Order Discounts** - minimizing costs and maximizing value
- **EDI compatible** - Making your order placement and future requirement forecast a breeze

WHY CHOOSE US

- **Competitive Pricing:** We source directly from trusted manufacturers, cutting out the middlemen.
- **Reliable Supply Chain:** We maintain stock and streamline logistics to ensure fast, hassle-free delivery.
- **Eco-Conscious:** Our PET straps are recyclable and environmentally friendly, contributing to a greener future.
- **Customer-Centric:** Your packaging challenges are our priority. We go the extra mile to support your business needs.

Whether you're a packaging distributor or an industrial buyer, we're here to help you secure your shipments with confidence. Let's build something strong together.
